Intermodal Committee Goals Update

Presentation to the Intermodal Committee November 17, 2009

2010 Committee Goals

- 1. Monitor and ensure that GDOT is in compliance with FTA Financial management and State managements.
- 2. Develop a plan for state of good repair of our rail lines
- 3. Monitor progress of AARA funding for Aviation and Transit Programs.
- 4. Pursue discretionary funding opportunities for Freight and Passenger Rail Program.

FTA Compliance

- Bi-weekly working group with staff.
- Closed out several areas of concern.
- Meeting with FTA every two months to discuss progress.
- Developing new policies and procedures for staff and sub recipients.
- Compliance reviews of all GDOT sub recipients

Rail State of Good Repair

- Interim Rail Plan Submitted to FRA
- Plan showed \$70M investment for State Owned Lines over 10 years
- \$4M Annually afterward to Maintain those assets
- Beginning update of numbers through Freight and Logistics Study

ARRA Progress

- Aviation Stimulus Program \$9.2M
- Two projects close to completion rest to be completed by end of fiscal year
- Transit Stimulus \$38M
- Phase 1 Contracts worth \$28M are being executed
- Phase 2 Applications worth \$10M in process with FTA

Funding for Rail

- Develop several discretionary grants:
 - TIGER Grant for Atlanta to Macon
 - Planning Grants for Atlanta to Birmingham; Macon to Jacksonville; & Atlanta to Louisville
 - High Speed Rail Implementation Atlanta to Maco
 - Grants pending for storm damage in Walker County
